area of food, technology, sustainability or co-working space.

With the potential to become a hub for diversified businesses, this store is an ideal choice for visionary entrepreneurs who want to explore new possibilities and expand their operations into a space that inspires and facilitates growth.

We leave you with some business ideas that can be installed in this versatile and well-located commercial space:

****Cafe and Bookstore****: A cozy space where customers can enjoy a good cup of coffee while enjoying reading. The combination of gastronomy and culture attracts a diverse and loyal audience.

Co-Working Space: With the rise of remote work, a collaborative and well-equipped environment can attract freelancers, startups, and small businesses looking for an inspiring place to work and interact.

****Sustainable Products Store****: Marketing eco-friendly and sustainable products, such as natural cosmetics, organic cotton clothing, and reusable housewares, can appeal to conscious and environmentally conscious consumers.

****Gastronomic Market****: A space with different food stations that offer local and international delights, creating a culinary destination for those looking for new dining experiences.

****Technology & Gadgets Store****: A space dedicated to offering the latest innovations in technology, from wearable devices to smart home accessories, ideal for tech enthusiasts.

These ideas can be tailored to the available space and demographic profile of the area.
